EXECUTIVE SUMMARY

Detail-oriented Quality Assurance Engineer with 5+ years of experience specializing in automated and manual testing of web, mobile, and API applications. Skilled in building robust test automation frameworks from scratch using Selenium, Playwright, Python, and Java. Adept at integrating automated test suites into CI/CD pipelines to ensure continuous quality delivery.

TECHNICAL SKILLS

*** **Testing Types:**** Automated Testing, Functional Testing, Regression Testing, API Testing, Performance Testing

*** **Automation Tools:**** Selenium WebDriver, Playwright, Cypress, Appium

*** **Languages & Scripting:**** Python, Java, JavaScript, Bash

*** **API & Database Testing:**** Postman, REST Assured, SQL (PostgreSQL, MySQL)

*** **DevOps & CI/CD:**** Jenkins, GitHub Actions, Docker, Jira, Confluence, TestRail

PROFESSIONAL EXPERIENCE

****Lead QA Engineer**** | *NextGen Tech Solutions – Austin, TX*

Mar 2021 – Present

- * Architected and maintained a scalable Python-Selenium automation framework, increasing automated test coverage from 30% to 85%.
- * Integrated automated UI and API test suites into Jenkins CI/CD pipelines, reducing regression testing cycle times from 3 days to 4 hours.
- * Mentored a team of 4 junior testers, establishing standardized testing practices and code review workflows.
- * Conducted API testing using Postman and REST Assured, identifying critical security and performance bottlenecks prior to release.

Software Test Engineer | *DataSphere Systems – Austin, TX*

Jul 2019 – Feb 2021

- * Developed and executed detailed test plans, test cases, and bug reports for enterprise SaaS platforms using Jira and TestRail.
- * Collaborated closely with cross-functional development teams in Agile/Scrum sprints to clarify requirements and define acceptance criteria.
- * Created complex SQL scripts to validate data integrity across backend database migrations.
- * Performed load and stress testing using Apache JMeter to evaluate web app stability under high concurrent user load.

EDUCATION

Bachelor of Science in Information Technology

University of Texas at Austin – Austin, TX

Graduated: May 2019
